

Mechanic Job description

About Us

We're a nationally and internationally renowned classic automotive company within the Salisbury area with 30+ years of outstanding history. We specialise in first class motor vehicle restorations.

The Role

We are pleased to offer an opportunity to someone who wants to work in classic cars in specialist mechanical work. We are looking for a skilled, hardworking person looking for an interesting full-time role with a successful company. If you have a passion for this industry, we are looking for someone to work alongside.

You will be working with highly skilled people in the industry, where you will(job description) for vintage, veteran and classic vehicles as required.

We need an honest, trustworthy, self-motivated and presentable individual who can work autonomously and within a cohesive team.

This is a full-time role for an Australian citizen.

Above award wages and other benefits are applicable for the right person, (after a probation of 3-6 months is successfully completed).

Skills & Experience

We need the following from you:-

- Attention to detail, initiative, tenacity and committed follow up to get the job done properly.
- Sharp, well presented, self-starter with a bright “can do & drama free” attitude the ability to work in dynamic and sometimes demanding environment.
- Experience in the automotive industry would be advantageous.
- Excellent written and oral English communication skills essential (fluent German would be very advantageous).
- Supply advice on parts, freight logistics and reliable supply lines.

- Maintain honest, accurate and up to date ordering, invoicing, purchase orders, freight documentation, credit and warehouse records.
- Maintain and allocate parts, components and assemblies with team.
- To work with staff and management regarding each restoration projects parts requirements.
- Research and locate high quality parts and components both new and used (as directed) and ensure all parts are 100% accurate and correct and bought at the lowest negotiated price, ordered and delivered "just in time" for each restoration project.
- Support and work with staff and management on vehicle parts across our diverse range of vehicle brands to minimise downtime and maximise productivity.
- Track and efficiently manage local and international freight and postage.
- The occasional ability to work outside of the mutually agreed hours during "crunch time".
- A strong commitment to excellence, innovation and continuous improvement

If you suit all the above criteria ... Apply NOW!
